

CONTACT

cultures of the imagination

2018

APRIL 6-8

Domain Hotel, Sunnyvale, CA

CONTACT is a unique interdisciplinary conference which brings together some of the world's foremost social and space scientists, science fiction writers and artists to exchange ideas, stimulate new perspectives and encourage serious creative speculation about humanity's future, on-world and off-world. After twenty-nine years of conferences, **CONTACT** has evolved into a dynamic forum on the future.

2018 HIGHLIGHTS:

Keynote Speaker:

NATHALIE A. CABROL, Director, Carl Sagan Center, SETI Institute

Award-winning Science Fiction Writers:

G. DAVID NORDLEY and **KIM STANLEY ROBINSON**

NASA and SETI scientists: **PENNY BOSTON**, **CHRIS MCKAY**, **DAVID MORRISON**,
MICHAEL SIMS and **SETH SHOSTAK**

...and a blatantly diverse program featuring many others.
